20 ft. Christmas Tree Centres Street Decoration

Representatives from various town organizations have been busy along with town crews, decking the business streets with the Christmas atmosphere for the enjoyment of young and old.

Don Larkins and Don Mitchell of the Vulcan and District Board of Trade, John Wolfe, Lundy Findlay and John Andrews of the Lions Club, Lawrence Haga and Harvey Robertson of the Elks and Jim O'Reilly from the Legion contacted town officials and police officers and the result is a huge beautifully lighted Christmas tree located on the town's main intersection.

This will be the setting for their planned big day for the children this Saturday, the visit of Santa Claus, at 1:00 o'clock in the afternoon.

The tree stands about 20 feet in height in the middle of the intersection. The wide street enables traffic to move around without much confusion and seems to be a good substitute for a 24 hour traffic policeman in controlling the sometimes careless traffic at that corner.

Town men have strung the usual colored lights and many of the business places have their stores in seasonal dress and with the big tree with its hundreds of lights, in the centre of it all, the effect is a warm friendly scene and indicates efforts of businessmen and clubs to provide more than just a buying place for the visitor during this season.

In a soft voice, a request has gone out for maybe two or three inches of snow to complete the picture—not a raging road-locking blizzard—but just enough of the white flakes to create atmosphere.

Residents of town are into the swing of things and several homes have outside scenes and decorated trees as a contribution to the outside enjoyment of Christmas time. This weekend will likely see more activity on the decorating both inside the home and on the lawns.

THE WEATHER

Mild weather continued the early part of this week, with day-time temperatures in the 40's, dropping into the 20's at night. Most of the snow has disappeared. The forecast is for somewhat cooler weather.

Part of Five-year Program

Recreational Grants Of \$10 per Capita Announced

Towns and villages throughout the province, of over 100 population will be eligible for grants of \$10 per capita this year to assist in the acquiring of recreational facilities, according to an announcement last week by the Provincial Secretary, A. R. Patrick. The cities of Calgary and Edmonton will not be eligible for the grant. An amount of \$3,653,000 is proposed to be spent on this portion of the program, originally announced by Premier E. C. Manning, August 14, 1959.

Population figures used to compute size of grants will be the figures used by the Department of Municipal Affairs in 1959 for grant purposes.

The grant will be approved for any feasible plan of recreation facilities and can be applied to any project undertaken since January 1959. Any project that can be proceeded with during the five year plan period will be eligible for approval.

Consideration will be given to projects planned jointly by adjoining communities, the minister said.

Applications for the grants will be made by the council of the town, village or city concerned, to the Provincial Secretary. Hamlets of LID's must make representation through the Department of Municipal Affairs, while those in Municipalities and counties will be handled through the municipal or county council.

The Hon. Mr. Patrick pointed out that this plan does not affect in any way the existing government assistance of \$7,000 towards erection of swimming pools in towns and villages.

Registration Of Bicycles Planned

A bicycle registration plan will go into effect in Vulcan on Jan. 1, 1960, according to Chief Constable J. L. Moyer of the Vulcan Police Department.

Designed to help the police department prevent theft of bicycles, promote traffic safety and assist in locating stolen bicycles, the registration plan will be administered by the police department. Bicycle owners will be charged 25 cents each as a registration fee and details of the bike will be recorded along with the name of the owner, allowing positive identification to be made when necessary.

Larkins-Greaves Wedding Rites

Vulcan United Church was the setting for the recent ceremony which united in marriage Jeanette Greaves, only daughter of Mr. and Mrs. Lewis Greaves of Majorville and Alvin Larkins, son of Mr. and Mrs. Edmund Larkins of Vulcan. Rev. D. Sharpe officiated before an altar of fern, baby mums and carnations.

Given in marriage by her father, the bride wore a floor-length gown of white-nylon net and organza over satin. The bouffant was poised over crinoline. Her finger-tip veil misted from a looped nylon headress highlighted with rhinestones. She carried a bouquet of tallsmans roses entwined with ribbon with roses knotted to the streamers.

Maid of honor was Betty Beckner of Milo. She wore a rose pink gown of silk organza. The shirred skirt was poised over crinoline and the sleeveless bodice featured a bolero. She wore a headress entone with her gown and carried a bouquet of pink and blue carnations.

Vern Orchard of Vulcan was best man and ushers were Norman Larkins, brother of the groom, and Lyle Greaves, brother of the bride. Mrs. D. Sharpe played the wedding music.

A reception in the church basement followed the ceremony at which the bride's table was centered with a three-tier cake flanked by vases of carnations and baby

Long Range Plan

Town Plans Tree Planting Program

Vulcan town council decided at this week's council meeting to embark on a long-range tree planting program in the town. About 100 trees will be planted each spring and the program will be continued at this rate until all built-up areas of the town are adequately treed and dead trees replaced.

Arrangements have been made to purchase trees, in quantities of not less than ten of any one variety, at very reasonable prices. Provision has also been made to secure additional trees and shrubs for householders at the same low prices, but at the expense of the householder, where such additional trees or shrubs are desired.

Councillor W. G. Sutherland is in charge of the tree program and residents wishing further information on variety and cost of trees and shrubs for their own use are advised to get in touch with Mr. Sutherland.

Adopt Modified Form School Dress Regulations

Dress regulations for students in the County of Vulcan Junior and Senior High Schools was a major topic for discussion at the County's School Committee meeting on Monday.

After carefully considering representations made by groups of interested parents, amendments were made which appear to be acceptable.

On and after January 4, 1960, County students from Grades 7 to Grade 12 will be required to observe the following dress regulations:

Standards of Dress for Boys shall be:

1. Boys should have a reasonable hair-cut; one which would be acceptable to a prospective employer.
2. Shirts should be tucked in, have not more than one button open at the top, and must be worn with the collar down.
3. Work pants, jeans or slacks may be worn; trouser legs should not be rolled up above what is normal length for trousers and must not be tucked inside boots.
4. There should be no metal plates or nails on shoes to damage floors.

Standards of Dress for Girls shall be:

1. Girls should have their hair combed out — no pin curls.
2. Slacks, jeans, pedal pushers, etc., should not be worn except for physical education classes or extreme cold weather.
3. Excessive make-up should not be used; lipstick would be sufficient.

Added to the program will be a group of yuletide anthems sung by the choir, which has been in weekly rehearsal since October. Soloists will be heard and a carol sing-song with audience joining will also be featured.

Directing the choir will be its popular conductress, Miss Muriel Perkins of Calgary. This is not a fund raising concert but a collection will be taken to cover expenses. Any money remaining will be given to charity.

Golden Wedding Celebrated

Members of the family of Mr. and Mrs. Orie Donily of 720 55th Ave. S.W., Calgary, formerly of Vulcan, entertained in their honor at the Donily home Monday, Nov. 23, the occasion marking their golden wedding anniversary.

Orie Donily and Mabel Eleanor Myers were married Nov. 23, 1909, at South Portal, N.D. Later they came to Canada, homesteading in the Lomond district, where they continued to farm, until coming to Vulcan in 1942. They then built the Vulcan Bowling Alley, which they operated until retiring to Calgary in 1954.

Seven of the honored couple's eight children were present for the event, being Eugene Donily of Richmond, B.C.; Mrs. Commodore (Beulan) Allen, Vulcan; Richard Donily, Vermilion; Mrs. Bill Marks, Armada; Mrs. Phil Cranston, Portland, Oregon; Mrs. Douglas Hamil-

ton, who lives in Nova Scotia, was unable to be present, but phoned her parents to offer congratulations; Irvin Donily of Calgary and Stanley Donily of Staveley. Mrs. Earl Jones of Mito, sister of Mr. Donily was also present.

A gold, blue and white motif was used in the reception rooms decorating scheme. A three-tier wedding cake centered the tea table, and was topped with a miniature bouquet of gold mums and carnations. Tall blue tapers gleamed on either side of the cake.

Proving that money does indeed "grow on trees" were two "money trees" presented to the bride and groom of half a century, by their family. They were also the recipients of many beautiful gifts and bouquets, and many good wishes from a host of friends.

Mrs. Donily chose for the occasion an afternoon gown of blue

Santa All Set For Saturday Visit To Vulcan

Here's more news for the children concerning Santa Claus' visit to Vulcan this Saturday.

Previously, arrangements were made to have Santa in town from 1:00 to 2:30 in the afternoon. The only detail left out was the location but any of the young folk visiting the down town area of Vulcan lately will know where old St. Nick will be situated. The location is the main intersection of town where a committee from various town organizations has set up a beautiful big Christmas tree.

Yes, he'll be there with his cheery smile, Christmas carols and in his bag there just might be something good for the deserving children who come to see him.

The Dandie Dinmont Terrier, now being seen more frequently in Canadian dog shows, was named for a leading character in Sir Walter Scott's book, "Guy Mannering," which was published in 1814. These plucky little animals have a round-ed-off Terrier style, and come in two colors, pepper and mustard.

WILD OAT MEETS ITS DOOM!

Monsanto Chemical Company scientists examine a wild oat plant uprooted from an untreated check strip in a Morris, Man., flax field where the company tested its wild oat killer, Avadex. Dr. L. H. Hannah (left) is the Monsanto agronomist who supervised field tests of Avadex throughout the prairie provinces. With him is Dr. Oliver DeGarmo, assistant research director, who headed Monsanto's research program on the compound. Flax at right, treated with Avadex at a 1½ pound rate, is 98 per cent free of wild oat, while the check strip in which the scientists are standing contains more than 100 wild oat plants per square yard.

The book of Mark has been chosen for the coming year and possibly a time goes on more members will participate in the discussion.

During the business session, the president reported that members of the church would paint the inside of the church if the WMF members agreed to pay for the paint. It was decided to take the men folks at their word and buy the paint. It was also decided to buy the treats for the Christmas program which will be held at the church on Dec. 20, at 10:30 a.m. The Christmas service will follow

the children's program. A special collection for the mission at Nome Alaska was taken.

The meeting closed with singing, "Silent Night" and prayer by Mrs. Foster, following which the annual exchange of Christmas gifts was held. Mrs. Bartsch and Mrs. Hugh Winch assisted the hostess in serving a lovely lunch. The next meeting will be at the home of Mrs. Mel Schaub in Milo.

Mr. and Mrs. Stan Brown return-

There arose a great storm of wind . . . He arose . . . and there was a great calm.

—Mark 4:37, 39

Life is an encounter; none of us will escape the deep water and the contrary wind. But there is a force mightier than any tempest that ever disturbed man's life. The rising of the storm is not the only power that appears; when it rises, He rises too, and we are brought safely on our way. When Christ arose there was a great calm. Our anxieties, troubles, fears, doubts, sorrows, pains, angers, bitternesses, prejudices, resentments, griefs, remorse, heartaches, are a stormy Galilee in our own hearts, but the advent of Christ stills every storm; He brings with Him calm and peace.

adv. —A.C.F.

FREE SHOW and treats for the children of Champion and district on Wednesday, Dec. 23, at 2:00 p.m., sponsored by the Lions Club and the merchants of Champion.

Friday, Dec. 11, through neighborly fondness for a dear friend, 35 close neighbors of Adam Ferguson surprised him on the occasion of his 80th birthday. Upon arriving his friends joined in singing, "Happy Birthday" and presented him with a gift as a token of their best wishes and all the best for the years to come. A most enjoyable evening was spent viewing films shown by Henry Ferguson. At the conclusion, a lovely lunch was served by Mrs. A. Siler, Mrs. T. P. Carlson and Mrs. Fred Geschwendt.

Mr. and Mrs. Abe Peters and small son of Exshaw were visitors for several days last week at the home of Mrs. Peters' parents, Mr. and Mrs. Gordon Stewart.

Amity Club

The Christmas meeting of the Amity Club was held at the home of Mrs. Helen Fedaj, with 13 members attending. An exchange of new hostesses and club months were drawn up. June was kept as the birthday month.

The slate of officers remain the same for 1960 and are as follows: President, Nancy Carlson; vice-president, Anne Siler; secretary, Marmie Geschwendt; treasurer, Helen Fontana; gift committee, Esther Lebsack and Hazel Cowgill; library representative, Helen Wolfe.

After the business meeting an exchange of Christmas gifts took place. The hostess, assisted by Viola Marshman and Hazel Cowgill served a delicious lunch.

Home and School Association

The Home and School held its December meeting on Monday, Nov. 7, with a large crowd in attendance. Mrs. Helen Sanderson, the Home and School delegate to the Banff Workshop gave a comprehensive and interesting resume of the workshop. Her report included the resolutions, curriculum and home attitudes. The outline of home attitudes gives much helpful material on the school, teachers, children and parents.

Following this there was a "Buzz Session" when the meeting discussed proper school dress for students. Suggestions given by the principals' meeting were voted on and all suggestions were favorable with the exception of three. It was definitely agreed that boys should be allowed to wear light boots, without clickers, etc. Girls should be allowed to wear slacks in severely cold weather and for P.T. Plans were made for the Christmas Concert and arrangements made for filling candy bags on Wednesday, Dec. 16.

SEED DEALER'S ACT AMENDED

The regulations under the Alberta Seed Dealer's Act have recently been amended according to an announcement by Hon. L. C. Halmrast.

The new amendment makes it necessary for seed salesmen to be licensed under the Seed Dealer's Act when selling any kind or variety of seed not recommended by the Alberta Crop Production Board. The revision is expected to curb the activities of itinerant seed salesmen who in the past have been selling seeds of an undesirable kind to farmers.

Mr. and Mrs. Fred Steeves from Hoadley, Alta.

Mr. and Mrs. Elmer Deal were pleasantly surprised on Friday evening when around 50 of their friends dropped in to wish them well in their new married life and home. The evening was spent playing games, sing-songs and visiting. The happy evening came to a close when some of the ladies served a delicious lunch.

Mr. and Mrs. John Showerman spent the weekend at Edmonton, where they visited their son and daughter-in-law.

Mr. and Mrs. Ted Hames and Marion spent Saturday in Lethbridge.

DEAL — STEEVES

A beautiful fall wedding was solemnized in the Evangelical Free Church of Champion on Thursday, Oct. 22, when Joyce Ruth, daughter of Mr. and Mrs. Fred Steeves exchanged marriage vows with Elmer David Deal of Champion. Rev. J. O. Hoel performed the ceremony. Before the bridal procession Don Steeves sang, "O Promise Me."

The bride entering the church on the arm of her father, wore a full length gown of satin and lace with pleated nylon insets in the bouffant skirt. Her shoulder length illusion veil was held in place by a crown of sequins and pearls and she carried a bouquet of red roses with cascading white satin streamers. Her only jewellery was a black diamond necklace, a gift from the groom.

The maid of honor, Margie Steeves, sister of the bride, wore a gown of pink net over taffeta, with lace bolero and carried a nosegay of blue carnations. Bridesmaids were Evelyn Davidson, cousin of the groom, and Dolores Ruggles, cousin of the bride. They wore taffeta dresses of lime green and pink respectively and carried nosegays of yellow carnations and blue carnations.

Ring bearer Mervin Steeves and flower girl Melody Budd entered the church together. Melody wore a lime green nylon dress and carried a basket of flowers.

The groom was attended by the bride's brother, Jack Steeves. The guests were ushered to their places by Gavin Davidson, cousin of the groom and Frank Ruggles, cousin of the bride.

During the signing of the register Don Steeves sang, "A Wedding Prayer."

The reception for 165 guests was held in the Community Hall. The bride's table was centered by a four-tiered wedding cake.

Mr. and Mrs. Steeves and Mr. and Mrs. Deal received the guests. Mrs. Steeves wore a blue dress and corsage of pink carnations. Mrs. Deal wore a moss green dress with burnt orange accessories. During the reception Tom Ruggles sang, "Each Step I Take," and Don Steeves sang, "God Hath Not Promised."

The young couple left for Spokane for their honeymoon. The bride wore a green suit with white and black accessories.

Out-of-town guests were from Hoadley, Vulcan, Magrath, Red Deer, Saskatchewan and Idaho.

A new era of silence . . .

The Battle
Of The Rattles Is Won

Automotive engineers have known for a long time the reasons why a car rattles and squeaks. It all begins with vibration. In standard two-piece automobile construction—that is, the body and frame as separate units—vibration cannot be held in check. It is this vibration which gradually undermines joints and bolts, making metal rasp against metal and causing the rattles and squeaks.

But now, at Dodge, there has been a major break-through by engineers. An automobile body has been designed in a single unit. Unlike other cars that have separate frame and body, the new Dodge is like a jet airplane body, built in one piece so that vibration is actually "tuned" right out of existence.

The new body design and structure was designed by Dodge engineers specifically to achieve vibration equilibrium, very much like the instruments in an orchestra are tuned, to be in perfect harmony. An electric brain, working for eleven months, developed the various vibration-eliminating formulas which permitted the manufacture of the single-unit body.

And from the formulas, a full-scale model was built to confirm the computations of the electronic brain. This model was subjected to exhaustive laboratory testing including an electronic vibrator and a dynamometer which simulated road conditions with amazing accuracy. The impressive results of the computations of the electronic brain and the tests on the model resulted in a new single-unit automotive body for Dodge. This body has revolutionized the industry. It does away with squeaks, rattles and rust. This is a body that will stay new for years and years. This is a body which is tighter, more integrated, virtually rust-proof . . . a body which "surrounds the driver in silence." Dodge calls it "Unibody."

Long lasting beauty and a higher trade-in value are assured by newly-developed rust protective compounds. Every seam, every crevice, inside and out, is permanently sealed with 7 separate immersions in special protective compounds. Mirror-like finish is achieved with coat after coat of tough Lustre-Bond Hi-Baked Enamel.

Combining beauty with revolutionary construction, Dodge engineers have incorporated "Unibody" in all 1960 Dodge models. If you are curious to discover how it actually feels to ride in silence with Unibody—to go through an unusual and original experience, visit your Dodge-DeSoto dealer soon. Already owners are saying things like, "I've just discovered what it means to drive a silent car . . . this is the way a car should ride." "This is what I call real driving . . . a great new way to enjoy the road . . . I can see why UNIBODY means silence!"

CARMANGAY

The community Christmas card is progressing favorably. The money will be used for treats for the children. The treats will be presented by Santa at the close of the Community Christmas Concert to be held on Dec. 21, in the school. Everyone is welcome.

The United Church Sunday School are having their concert on Dec. 22.

The Evening WA of the United Church held their regular meeting on Tuesday evening with sixteen ladies present. After a short business meeting, the rest of the evening was spent in contests and games. An exchange of gifts was made. The evening concluded with a delicious lunch.

Mrs. Korth and family of Lethbridge were guests at the home of Miss Ethel Underdahl.

Home and School Association Carmangay Home and School Association reported a record attendance at its December meeting. Guest speaker was Rev. R. H. Johnson of Vulcan who spoke on, "The True Meaning of Christmas." He began by illustrating how science bears out events relating in the Bible about the Nativity.

Rev. Johnson deplored the present tendency influenced by commercialism, to display the trappings of Christmas so far in advance of the season. He concluded

by urging the listeners to remember the prayers on Christmas Day, especially for world peace. Jesus was hailed as the Prince of Peace, and by so praying we help to give Christmas its true meaning.

A pageant entitled, "Christmas in Many Lands" was then presented. The stage setting depicted the pages of a post card album with characters dressed in costumes of the various countries acting out the pictures. A reader described how Christmas was celebrated in these lands while carols were played in the background. This was very well done and proved most effective.

A pleasant evening was concluded with the serving of refreshments by the lunch committee.

Birthday Dinner

Mrs. B. M. Hubka was honored by members of her family at a delightful birthday dinner at the Driftwood Room on the occasion of her 78th birthday, Tuesday, Dec. 1. A sumptuous dinner was served by Mrs. Stan Hoare to the party of 29.

BRANT

(Too Late For Last Week)

Mr. and Mrs. Don Armour and son visited with Mrs. Armour's parents, Mr. and Mrs. Ted Olsen over the weekend.

Mrs. Ross Kennedy entered a number of items of ceramic ware in the handicraft display at the High River Memorial Centre on Nov. 28. Mrs. Kennedy has taken several orders for Christmas gifts.

Jim McKay who has been taking flying lessons in Calgary, flew his first solo flight on Sunday, November 29.

The first square dance of the season was held on Nov. 27, with Ken Dolan of Calgary as the caller.

Young people met in the Jake Heide home on Friday, Nov. 27. There was a good turn out including a few from Calgary. They had a very enjoyable evening and planned a hayride and wolver roast for the evening of Dec. 11. The hay ride is to start from the Archie Ferguson home.

Scout and Guide Groups

A group of parents recently met at the Brant Scout Hall, when the past executive of the local association of Scouts and Guides learned that the Scouters and Guides were most anxious to carry on, although the association had already been disbanded. The local association is essential if any group is to carry on its activities.

After a lengthy discussion, it was decided that it would be in the best interests of the young people to reorganize the parent's association, even though few people have signified that they are interested. The following were elected to the executive of the Brant-Ensign Local Association of Scouts and Guides: President, Alf Lawson; secretary, Mrs. Ross Kennedy; treasurer, Don Shultz; conveners, Mrs. Ed Auld, Mrs. Clifford Fletcher, Mrs. D. Irwin and Mr. and Mrs. P. M. Gallagher.

The following leaders are prepared to re-organize their groups at once: Scouts, J. Masse, assistant needed; Cubs, Fred Burley, assistant needed; Guides, Mrs. Ed Prater, assistant—Mrs. A. Eliuk.

An enthusiastic group of Brownies are eager to be organized and are looking for someone who is interested enough to be their leader. For information contact Alf Lawson or Mrs. E. Bate-man. Your help would be appreciated.

Parents are reminded that they become members of the local Scout-Guide Association when their children enroll in any group. Early in January they will be requested to pay a membership fee of \$1.00 per family. This is used to defray operational costs.

On the vote of the association a bouquet of flowers will be sent to John Rhodes, a patient in the Calgary General Hospital. Mr. Rhodes has been an ardent supporter of Scouting for many years.

Notices of future meetings will be advertised as they are called. Your executive would appreciate your interest.

Home and School Association

The regular meeting of the Brant Home and School Association was held on Wednesday, Dec. 2, with a good number of members and visitors present. During the business part of the meeting a discussion took place on suggestions for raising money. A letter from the Vulcan Home and School Council was read and a reply agreed on.

An afternoon Christmas concert will be held at the school on Dec. 18. The Home and School agreed to look after buying and packing the treats and securing and decorating the tree. Notices will be posted in the stores in Brant and Ensign for the collection of donations towards paying for the treats, as has been done in previous years. The committee to pack the treats

will include Mrs. Hennault, Mrs. Fujiwara, Mrs. Payce and Mrs. Olsen.

Guest speakers for the evening were A. L. Schrag, superintendent of schools; A. A. Aldridge, supervisor of Guidance for the Department of Education, and J. M. McKay, chairman of the school committee. Topics discussed by the speakers included equalization grants, student assistant grants, high school drop-outs, level of education required by business firms, and local autonomy. During the question and answer period, the physical education program, teaching of fine arts in schools, home economics and industrial art program, and future supply of teachers for rural schools were discussed.

ENSIGN

Mr. and Mrs. Clarence Mote and Earl were Sunday dinner guests at the home of Mr. and Mrs. Tom Knight at Champion on Dec. 6; the occasion being Earl's 17th birthday and Patty Knight's 5th birthday.

Mrs. Ollie McFadden entertained the ladies of the Country Birthday Club Friday of last week. All enjoyed the afternoon with the exchange of Christmas gifts, after which a delicious lunch was served by the hostess.

Mr. and Mrs. Sladek of Rose-town, Sask., visited with relatives in the district for a few days last week. Mrs. Sladek is a sister of Mrs. A. Fisher.

Earl Mote, Jim Massam and Russel Markert left last Friday for an overnight hunting trip west of Nanton on the Kananaskis. They reported no luck.

Mr. and Mrs. Nap Flebott were Lethbridge visitors last Saturday. Lee returned home with them for the weekend.

Mrs. O. Paton and David were visitors to Calgary Wednesday of last week.

Mr. and Mrs. Bruce Semple, Wendy, Wesley, George and Glen of Calgary were Saturday visitors at the Jake Heide home.

Young People's Hayride

On the evening of Dec. 11, a group of young people gathered at the Archie Ferguson home and went for a hay ride. There were 22 different families represented; young folks from Calgary, Moss-leigh, Vulcan, Brant and Ensign.

Thanks goes to David Ruark for the use of his field, about the only place left with snow. It was decided sleighs were best because the falling distance was less. If noise is any indication of enjoyment, they enjoyed themselves.

After about two hours sleighing they roasted wieners at a sheltered spot by the creek where a bonfire was being attended by Mr. and Mrs. Jake Heide. A short word about, "Boys will be boys and boys will be men," was given by Archie Ferguson.

BLACKIE

The December meeting of the Women's Missionary Society was held at the home of Mrs. Flores Groeneveld.

The December meeting of the Blackie Evening Circle was held in the United Church with guests, the members of the Blackie Afternoon WA.

The Annual White Gift Sunday of the Blackie United Church Sunday School will be held on Sunday, Dec. 20. The time of the service is 10:15 a.m. and Rev. N. Knight will take part in the service which will also feature the Christmas program by the pupils. The white gift is to be an article of clothing, used or new, which is suitable for use by the underprivileged.

Congratulations are extended to Douglas Farrell on winning a 1960 Pontiac at a bingo in Edmonton recently. Douglas was accompanied to Blackie to visit relatives by his aunt, Mrs. Harvey Farrell of Edmonton.

Jim Stier motored to Medicine Hat on Thursday to attend a meeting of the IOOF Lodge.

Sunday guests at the home of Mr. and Mrs. Glen Eamor were Mr. and Mrs. J. D. Eamor, Mr. and Mrs. Elroy Davies and family of Lethbridge, "Grand-dad" Eamor and Mr. and Mrs. Felner Eamor of High River.
